**Vocabulary:** comedian, election, political, President, citizen, Ukraine

This week in assembly we have talked about the new president of Ukraine, Volodymyr Zelenskiy, who was voted in by a 73% majority of votes.

Six months ago he was an actor and comedian so had no previous experience of politics.

Questions to discuss at home:

- Talk about qualities that make a good leader.
- Discuss whether he will make a good president due to lack of experience.
- Locate where Ukraine is on a map.
- Why do you think he was voted in by such a high number of people?
