Success at Burlington Junior School

We are pleased to celebrate with you the fantastic improvement we have made this year—highlighted in the 2018 KS2 performance tables. These tables measure the progress and effectiveness of schools, taking children from their starting points in Year 3 to their SATS tests in Year 6, and shows that pupils at Burlington Junior School make secure progress.

This is a significant development and places us in a strong position when compared with other schools both locally and regionally.

As progress is the key measure that Ofsted use to categorise schools—this means we are on track for a good outcome at our next inspection.

This has only happened as a result of the hard work and commitment of the children and staff and the support from you, as parents and carers.

Thank you for your continued dedication and commitment.

Christmas Fair

The School's annual Christmas Fair on Friday 8th December was well supported by parents, friends and local businesses. There were many stalls including crafts and gifts made by the pupils, games, tombola, refreshments and lots more. The school raised a staggering **£1876.99** in one and a half hours.

All the staff, Governors, Headteacher wish to thank everyone who supported the event including parents, the Spa Theatre, Beauty Bank, Tesco, Gabby's Chippy, Bridlington Speedboats, Rich Webster, Tigers Trust, McDonald's, Rington's and Richardson's Bakery. A full list of companies who kindly donated raffle prizes is available on our web site. Without all your support the fair would not have been such a resounding success.

The Funds raised will help towards the cost of the trip to the Christmas Panto for all children.

Choir Performances

Well done to the school choir who performed with such enthusiasm at the Lion's Christmas concert at The Spa on Monday night and for all the beautiful singing in our local community—Priory View, Tesco's, White Rose Lodge and Three Trees. Their singing has brought much delight to our local residents. Well done!
