

## Orienteering

On Tuesday evening, children from year 5 and 6 travelled to Headlands to take part in an orienteering competition. Children were put into pairs and had to complete the orienteering course as quickly as possible. The children had to read a map to decide which post to run to. They also had to make sure they ran to the posts in the correct order. Well done to everybody that took part. Thank you to the parents for your continued support.
