Year 6 SATs

Well done to all the Year 6 children who completed their SATs tests this week. They have all been a credit to themselves, their parents and school.

Year 5—Nature Club

Mrs Caulfield is starting up a nature club for Year 5 from 1pm to 1.25pm on Wednesday lunchtimes. If you are interested in joining then please contact the school office. The club will be starting on 5th June.

Year 6—Swimming

Swimming for selected Year 6 pupils, starts on Tuesday 21st May. Your child needs to bring their swimming costume or trunks and towel. They will also require a packed lunch with them as they will be leaving school at 12.30pm. If your child receives free school meals then one will be provided for them.

Warmer Weather

The warmer weather is finally here! The children are having more of an opportunity to be outside of the classroom now that the weather is warmer.

Please can we ask:

- ◆ That you apply sun cream to your child in the morning if hot weather is expected.
- ◆ That your child has a water bottle in school. There is water available in the classrooms to refill them throughout the day.
- ◆ That your child wears a sun hat, which is named in case it is misplaced (optional)

We want the children to enjoy the sun but we want them to feel safe and comfortable too.

Year 6 Leavers Hoodies

If your child would like to order a leavers hoody please return your order form and payment by the morning of the 23rd May. If you would like an order form please contact the school office.

Dinner Money

We will be reviewing all outstanding dinner money early next term and referring any high or long term balances to the local authority for collection. All balances must be cleared by Thursday 18 July. If you would like to know your outstanding balance please contact Mrs Collins on 01262 674487.

Music Money

All outstanding music money must be paid by Friday 24th May or your child will be unable to continue with their lessons after half term.
