## World Book Day—Book in a Box

World Book Day is on Thursday 7th March. Following the success of our previous "Book in a Box" competitions, we will be running this event again to celebrate this festival of reading and all things bookish. Children can present their "Book in a Box" as a 3D representation of any book of their choice. Remember to keep the book a secret so that we can guess what it is on the day. Prizes will be awarded for the 3 best entries. Every child will be given a £1.00 World Book Day token to spend at participating bookshops.

**Please note that we will not be dressing as book characters.**

## On-line Safety

Following recent concerns in the press, we would like to encourage all parents to monitor their child's online use.

Conversation starter ideas:

1. Ask your children to tell you about the sites they like to visit and what they enjoy doing online.
2. Ask them about how they stay safe online. What tips do they have for you, and where did they learn them? What is OK and not OK to share?
3. Ask them if they know where to go for help, where to find the safety advice, privacy settings and how to report or block on the services they use.
4. Encourage them to help. Perhaps they can show you how to do something better online or they might have a friend who would benefit from their help and support.
5. Think about how you use the internet as a family. What could you do to get more out of the internet together and further enjoy your lives online?  
You can check the browser history on your child's phone/computer/tablet by pressing Ctrl+H while the browser is open.
