Building Work in Boys' Toilets

Next week building work will begin in the boys toilets in the main school. Due to the refurbishments there will be some disruption whilst the builders complete the work. We apologise for any inconvenience this work may cause for the boys and Year 4 pupils coming in and out of school. We look forward to the new refurbishments in the future.

Year 6 Trip

This week some Year 6 children went to London and to PGL adventure centre in Lincolnshire. Reports on the activities they took part in will be reported over the next 2 weeks.

School Uniform

Whilst the majority of our pupils are well-presented, we have noticed that some children are not wearing appropriate uniform. In particular, some girls are wearing skirts which are not of a suitable length for school, particularly when they are required to sit on the floor for assembly or to use outdoor equipment. We have also noticed that some children are wearing nail polish.

Please could we therefore remind all parents to ensure that their child is appropriately dressed for school. If you have any queries regarding our uniform expectations, please do not hesitate to speak to your child's class teacher.

Reception

To avoid the busy times/unnecessary queuing in reception on a morning/evening please send you child's dinner money and club money in a named envelope with your child to their class for them to give to their class teacher. Dinner money can be paid for the full week or the number of dinners your child requires that week. Reply slips for trips etc can also be sent this way.

Weekly Attendance

Attendance at Burlington Junior School is very important and we are expected to achieve at least the national average of 96% every week.

Last week's whole school attendance was 95.8%.

Well done to Class 13 on achieving the highest class attendance last week—100%.
