

## Inter house Cross Country

Last Friday, the school had a cross country running competition. The teams competed in year groups and represented their respected houses. The Year 3 and 4 children ran three laps of the field. The Year 5 and 6 children ran four laps. It was a lovely day which made the day even more enjoyable! Well done to everybody for competing!

### Winners

## Times Tables at Burlington

As you may be aware, from 2020 the Government are introducing a Multiplication Tables Check (MTC) for all Year 4 children. Our current Year 3 children will be the first cohort to take this test in the summer term (2020).

The National Curriculum specifies that by the end of year 4, children should be able to recall all times tables up to 12x12. In school, the children complete the half termly 99 times table challenge and we subscribe to Time Table Rock Stars as a way of encouraging children to learn and recall their times tables fluently. This week in school, all children have set their baseline speed and have become familiar with how the programme works. It would be of benefit to your child if they could spend some time working on their times tables as they really do help in all areas of the Maths curriculum. If your child does not have their password, please speak with their teachers as they can be reissued.
