

Animated Objects

This week, Year 3 have had the delight of working with Dawn and Lee from the 'Animated Objects' company to explore our topic of the Stone Age further. They created some marvellous pieces of cave art, with each member of year 3 contributing to a year group cave. Afterwards, they designed some cave paintings that depict a Stone Age hunting trip!

Year 4 focused on the Romans with activities consisting of: creating legion battle flags, sketching techniques and using charcoal to produce effective portraits of a Roman soldier building upon previous techniques.

A big thanks to Dawn and Lee for such an enjoyable week!
