

Year 3 & 4 Football

On Monday evening, 9 keen football players travelled to Holderness Academy to take part in a Tigers Trust organised football competition. 4 teams participated in the competition. The teams played each other twice in a league format. The top two teams, from the league, then played against one another in a final to decide the winner. Burlington made an excellent start to the competition, winning two of their first three games. The big pitch and hot weather then took its toll as Burlington struggled towards the end of the league campaign. Burlington needed to win their final league game against Thorngumbald to secure a place in the final but unfortunately they narrowly lost 1 – 0 to a well organised

Thorngumbald team. Well done to all of the children who took part. A big thank you must go to the parents for your continued support.

Results

Preston A	0 – 0	Burlington	Burlington	0—3	Preston A
Preston B	0 – 2	Burlington	Burlington	0—0	Preston B
Thorngumbald	0 – 1	Burlington	Burlington	0—1	Thorngumbald

Diary Dates

Summer Term
5th July 2019

Opening Evening & Reports

You should receive your child's Annual School Report **Monday 8th July** for Years 3, 4, 5 and **Wednesday 10th July** for Year 6. You will have a brief opportunity to discuss this with your child's teacher at our Open Evening on **Wednesday 10th July**. This will be an informal evening with no appointments necessary. You are invited to come anytime between **4-6pm** and look around the school and meet your child's new teacher.

Parents and Toddlers Dress Rehearsal

The dress rehearsal for the Year 6 "**Summer Holiday**" is taking place on Monday 16th July at 2pm. The back door will open at 1.55pm. Everyone Welcome!

Sports Day

Sports day for Year 3 and 4 is taking place on Thursday 11th July and Year 5 & 6 is taking place on Friday 12th July. Both start at 1.30pm on the school field. **Please bring a blanket or chair to sit on.**

Please could your child wear a T-shirt which is the same colour as their House colour (if you do not have the correct colour please wear our school PE T-Shirt).

Farah—Red Murray—Blue Ennis—Yellow Simmonds—Green

Dinner Money

We will be contacting all parents before the end of the year with your child's current lunch money balance (including those in credit). All balances must be cleared before the end of the year. Any year 6 outstanding balances will be transferred to siblings in school or referred to County Hall for collection. We will be referring any year 3, 4 or 5 high or long term balances to the local authority for collection.

STEM—RAF

On Monday, the RAF came to do a workshop with Year 5. We made our own rockets using paper. We also had a competition between two teams to see who could launch the rocket closer to the basket. After lunch, we had a competition to collect the most items using a hook, Velcro and a magnet. We had a lot of fun learning about rockets and the rubbish that is orbiting our planet.

Oliver Squire—Year 5—Class 8

STEM for Girls

Last Thursday, a group of girls from Years 4 and 5 took part in a brilliant STEM trip. There were many STEM activities that inspired us to become scientists, engineers and mathematicians. A popular activity was planting a pea seed in some gel in a test tube- now we need to leave it to grow. My group built a Lego tower as a challenge, in one of the activities, and received VIP tickets to tour a Nimrod plane with the engineer. It was a fascinating experience that some people would wait years for! It was an incredible day, and if I could, I'd re-live it a million times.

Flora Clark—Year 5—Class 8
