English: Persuasive Writing

You've learnt about the features and skills involved in persuasive writing; now it's time to write your own. You are going to write to persuade someone to come to visit Bridlington. Make sure you use a wide range of punctuation and that you include lots of boastful language, linking to all the attractions that Bridlington has to offer.

Reading:

Please read a book at least three times this week – every day if possible. You don't just have to read your school book; you can read any book from home as long as it's challenging enough for you and you enjoy it! Please refer to the BJS website for a list of suggested books for Year 5 to read. Record yourself reading out loud and post a clip of this to your Dojo portfolio.
