English: Portal Story

This week we are entering our 'independent phase' of writing, finishing our unit on 'portal stories.' We will be looking at our imitation and innovation pieces of writing and adapting our previous ideas to create a final 'portal story,' choosing a different character and mysterious setting for our narrative.

Reading:

Please read a book at least three times this week – every day if possible. You don't just have to read your school book; you can read any book from home as long as it's challenging enough for you and you enjoy it! Please refer to the BJS website for a list of suggested books for Year 3 to read. Record yourself reading out loud and post a clip of this to your Dojo portfolio.

PSHE

This week is 'Anti-Bullying Week.' Pupils will be considering and discussing what bullying is and the different forms that it might take.

We will then discuss how we can all work to prevent incidents of bullying from happening and who we can talk to if we are worried somebody might be being bullied.

Religious Education

We have looked at some of the main beliefs in Christianity, as well as the rituals that Christians take part in to mark special occasions such as Remembrance Day.

We are now going to focus on Hinduism and the festival of Diwali. Why is this festival significant and what does it symbolise?
