### **Maths: Place Value**

Here are suggested lessons that are what we would be completing in school (click on the lessons to take you to the website):

1. Place value of 2 and 3-digit numbers.
2. Partitioning 2 and 3 digit numbers.
3. Counting up in 2s, 3s and 4s.

### **Science: Light**

What is light? Do you need light in order to see things?

### **Geography: Local Area**

Can you locate the local area using aerial images? Using Google maps, try to locate Bridlington. What do you notice each time you zoom closer into the map?

### **English: Portal Story**

This week, we are writing a portal story, imagining that our character has fallen through a portal into an unexpected land. Additional resources will be posted onto Class Dojo.

### **Reading:**

Please read a book at least three times this week – every day if possible. You don't just have to read your school book; you can read any book from home as long as it's challenging enough for you and you enjoy it! Please refer to the BJS website for a list of suggested books for Year 3 to read. Record yourself reading out loud and post a clip of this to your Dojo portfolio.

### **PSHE**

We are reflecting on the structure of our family and celebrating difference.

*Who is in your family? Why are they important to you? How do you help each other?*

Draw a picture of your family and label each member.

### **Spellings**

walk                      walks                      walked

skip                        skips                        skipped

reach                      reaches                      clap

clapped
