

Year 3 Home Learning WB: 30.11.2020 \*Please click on the lessons (the blue links) which will take you to the website.

### **Maths: Addition and Subtraction**

Here are suggested lessons that are what we would be completing in school (click on the lessons to take you to the website):

1. Problem solving using number bonds.
2. Expressing calculations in different ways.
3. Adding 3-digit numbers and ones.
4. Subtracting ones from 3-digit numbers.

**Additional Maths ideas: -**

<https://www.topmarks.co.uk/maths-games/hit-the-button>

### **Science: Light**

We will be exploring different types of materials and discussing which would be the best to make a pair of sunglasses. What material would be the most suitable? Why? Use these ideas to create your own design.

### **Geography: Local Area**

Think about how Bridlington has changed over time up the present day. How do you think it will change in the future? Why do you think this? We would love to hear your ideas!

### **English: Instructions**

This week we are starting our 'innovation phase' of writing as we begin to create our own instructional text. We will recap on the main features of our model text, 'How to Catch a Dragon.' We will then use this to create an innovated write about how to rescue a lost puppy!

### **Reading:**

Please read a book at least three times this week – every day if possible. You don't just have to read your school book; you can read any book from home as long as it's challenging enough for you and you enjoy it! Please refer to the BJS website for a list of suggested books for Year 3 to read. Record yourself reading out loud and post a clip of this to your Dojo portfolio.

### **PSHE – Celebrating Difference**

Think about bullying and how we can relate it to S.T.O.P (Several Times On Purpose). How can you help a situation like this?

<https://www.bbc.co.uk/bitesize/topics/zv22pv4>

### **Spellings**

were	brother	any
their	where	two
small	love	many
here		

**Additional Spelling ideas: -**

Can you create a 'word pyramid' for each of the spellings? What about a 'rainbow word?'

### **Art: David Hockney**

This week, we are creating a colour wheel using primary and secondary colours.

### **Religious Education**

We are continuing to focus on Hinduism and the festival of Diwali.

- Why is this festival significant?
- What does it symbolise?
- Who celebrates Diwali?
