

Sports Premium

The P.E and sport premium is designed to help primary schools improve the quality of the P.E and sport activities they offer their pupils.

At Burlington Junior School, we value the role that PE and sport plays in both the curriculum and the wider life of our school community and appreciate the potential it has to change young people's lives for the better.

We have welcomed the Government's announcement to provide additional funding until 2020 to improve provision of physical education and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people. This funding is ring-fenced and therefore can only be spent on provision of P.E and sport in schools.

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5-11). All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £1000 per pupil. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

For example, you can use your funding to:

- Hire qualified sports coaches to work with teachers
- Provide existing staff with training or resources to help them teach P.E and sport more effectively.
- Introduce new sports or activities and encourage more pupils to take up sport.
- Support and involve the least active children by running or extending school sports clubs and Change4Life clubs
- Run sports competitions
- Increase pupils' participation in the School Games
- Run sports activities with other schools.

**The total allocation for Burlington Junior School is £19100 based on pupils on role
£7298.82 remaining from 19-20 due to COVID19**

It is expected that schools will see an improvement against the following 5 key indicators:	
The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	Yellow
The profile of PE and sport being raised across the school as a tool for whole school improvement	Red
Increased confidence, knowledge and skills of all staff in teaching PE and sport	Green
Broader experience of a range of sports and activities offered to all pupils	Blue
Increased participation in competitive sport	Purple

Sports premium funding proposed expenditure					
Aims	Timescale and cost	Success criteria	Indicators		Impact (on-going updates)
To be involved in the local school sports partnership	All year £3500	<ul style="list-style-type: none"> Part of a large and long established PE and School Sport Network including partnership wide planning meetings and cluster meetings. Children earn points for attending extra-curricular clubs and school competitions throughout the year. These points are totalled and children receive certificates, sports equipment, vouchers. 				
*Please note timescales/costs stated are part of this years' forecast and therefore estimated and subject to change.						
Proposed expenditure (2020/2021)	£					

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?

Yes
