Maths: Multiplication and Division

Here are suggested lessons which are what we would be completing in school (click on the lessons to take you to the website):

[Solving Problems about Time](#)

[Converting between units of time](#)

[Reading Timetables](#)

Remember to keep going on TT Rockstars too!

Science: Space

What are the planets in our solar system? How do they differ?

[How the planets in the solar system differ](#)

Geography: Mountains

Now you've found out what a definition of a mountain is, use the links below and research how the different types of mountains are formed.

[Knowledge Organiser - Mountains](#) If this PDF link won't open, you can view it on the Burlington Junior School website – Curriculum – Year 5.

English: Instruction Writing

Now you've written your first set of instructions, develop your instruction-writing skills by using the links below to help you write a set of instructions for how to look after a pet mechanical.

Make sure you include relative clauses in your writing.

Reading:

Please read a book at least three times this week – every day if possible. You don't just have to read your school book; you can read any book from home as long as it's challenging enough for you and you enjoy it! Please refer to the BJS website for a list of suggested books for Year 5 to read. Record yourself reading out loud and post a clip of this to your Dojo portfolio.

Debating: Picture News
