Maths: Time

Here are suggested lessons which are what we would be completing in school (click on the lessons to take you to the website):

[Reading Timetables](#)

[Solving problems about time](#)

Remember to keep going on TT Rockstars too!

English:

We are having a week of creative writing this week. Use the first five lessons of the Oak Academy writing unit on Oliver Twist to help you understand a bit more about creative narrative writing.

<https://classroom.thenational.academy/units/oliver-twist-narrative-writing-280c>

Reading:

Please read a book at least three times this week – every day if possible. You don't just have to read your school book; you can read any book from home as long as it's challenging enough for you and you enjoy it! Please refer to the BJS website for a list of suggested books for Year 5 to read. Record yourself reading out loud and post a clip of this to your Dojo portfolio.

Science: Space

Using the links below, find out how night and day occur. You could create and label a diagram or write an information text.

<https://www.bbc.co.uk/bitesize/clips/zrd9wmn>

<https://www.dkfindout.com/uk/space/solar-system/day-and-night/>

Health and Well-being:

<https://classroom.thenational.academy/lessons/images-in-the-media-cdk32r>

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ> Lockdown Hero Joe Wicks with all his training videos!

Spellings: common errors identified

their

there

they're

which

maybe

you're

excite

sure

Ideas:

Write each word in a sentence in the correct context.

Geography: Mountains

This week we will be investigating the Three Peaks in the UK. Watch Steve Bracknell talk about Snowdon in Wales. Can you locate it on a map?

Create a fact file about one or more of the Three Peaks: Snowdon, Ben Nevis or Scarfell Pike.
