

Circumstance	Home Learning
<p>We enter another 'lockdown' with key workers and category vulnerable only.</p>	<ul style="list-style-type: none"> ● Register on Google Classroom or Class Dojo by 9:30am. ● Work will be provided daily – which will consist of English, Maths and a Wider Curriculum subject. ● Maths lessons will be uploaded to Google Classroom, following on/mirroring the maths being covered in the classroom at that time. This may be a combination of Effective Maths (the scheme used in school), the screens shared in the classroom and resources/worksheets used in the classroom. Answers will be provided for self-marking at home. At least 1 lesson a week will have a pre-recorded teacher voice input from a teacher. ● English tasks will be uploaded to Google Classroom and the website following the sequence of learning happening in the classroom. The quantity will be dependent on age/stage of your child. Some/all of these will be 'handed in' to your child's class teacher on Google Classroom for marking. This will include spelling, grammar, writing and reading. At least 1 lesson a week will have a pre-recorded voice input from a teacher within their year group. ● Curriculum: will be uploaded to Google Classroom for children to complete and hand in virtually. This will be lessons your child would have had in class this term which can be most easily adapted to remote learning. ● EHCP: if your child receives additional support on an EHCP and they are isolating, a more bespoke programme of support may be set up. The school SENCO will discuss this in more detail. ● Well-being and Online Safety: Learning and resources will be set each week on Google Classroom to support pupil's mental health, well-being and online safety. ● Reading: Please listen to your child read daily, either via oxford owl or a home book. ● Storytime: Friday 3:15 to 3:30 will be story time where pupils can listen to a story read by their teacher or other story teller. ● Marking and Feedback: All work completed will receive Dojo's. Once a week the class teacher will give more detailed feedback in reading, writing and maths.
<p>Please see below the details of the remote learning provision that we are providing.</p> <p>If your child cannot access online learning either due to lack of an appropriate device, then please advise the school immediately so that a Chromebook can be provided.</p> <p>If you have a Vodafone or unlocked mobile phone and NO access to the internet, then please contact school as we have a limited number of cellular sims available for loan.</p> <p>If you require a paper pack of work instead of the government advised online remote learning, then please contact school immediately.</p> <p>Expectations: The minimum expectations from the government around how much time the children spend accessing remote learning is at least 3 hours daily. Any problems do not hesitate to contact your class teacher.</p>	

***More information will follow within the next couple of weeks with regards to live face to face interaction with your child and their class teacher.**
