

BJS School Council

Thursday 10th December at 9:15 (Meeting in Canteen – socially distanced areas)

Mr Clark and Mrs Beckett attended

Year Groups Attended:	Year 3	Year 4	Year 5	Isolating
------------------------------	---------------	---------------	---------------	------------------

Agenda Item	To discuss	Comments	Action to be taken
1 Review of previous meeting		All agreed on minutes. Discussed layout of School Council books; need to ensure all Councillors have books.	
2 Class Dojos	How is the Dojo system working? Are the rewards suitable for the number of Dojos earned? Are there any improvements that we could suggest?	All enjoy the dojo system (50 = well done; 100 = round of applause; 150 = Dojo mention; 200 = 10 minutes free Chrome Book time; 300 = choice of footwear; 400 = special prize from Mrs Beckett) Not keen on shoes – these may get ruined in winter. Suggested 300 would be choice of non-uniform or pass to class – time in class to colour/do activities. The special prize for this term would be bread bun. Next term – 400 = bread bun; 500 = special prize from Mrs Beckett.	Mr Clark to make new certificates for next term with new agreed prizes on.
3 Class Pet	The class pet idea was discussed but decided that it would not be possible, especially in the current times.	Asked pupils to imagine a hamster in a cage in the corner...	
4 Home Learning	How do we all feel about using computers at home to help us with our learning? Is there anything we (the staff) can do to help with this?	Very positive on this. Some had issues with Google Classroom but stated most had been resolved. All stated they would like more specific time on Chrome Books in class to practice using Google Classroom.	Councillors asked to ask teachers for more time on Chrome Books/ Google Classroom
5 School Council badges	We 'lost' some of our School Council badges last year due to the lockdown. Can the Council organise getting the ones back from last year's councillors – can we purchase more?	All voted in favour of having these. Well done to Nola from last year who had found and handed hers back.	Mrs Beckett to look into sourcing new badges from Councillors.
6 AOB	Are there any other points they wish to raise?	Pupils would like to sing outdoors. Mrs Beckett stated that we would look in to this in the new year, following government guidelines. Pupils would like chalks and playground activities out again.	Mrs Beckett to view government guidelines for singing outdoors. Mrs Beckett to ask for chalks/ equipment to be put outside at breaks again.

Date of next meeting:

To be decided after Christmas Holidays.
