Science: Animals including Humans

Subject areas covered: Science, PSHE,

Due to the first national lockdown, we will cover both Y4 and Y5 objectives in this area of learning.

As **scientists** the children will explore the digestive system and be able to identify the basic parts of the body involved.

They will be able to identify the different types of teeth and their simple function.

We will construct and interpret a variety of food chains, identifying producers, predators and prey.

The children will be able to describe the changes as humans develop to old age.

RE—Pilgrimages

Subject areas covered: Religious Education

This term we will discover the significance of pilgrimages for many faiths.

The children will identify where pilgrimages take place and what is involved to make the journey.

We will use our British Value knowledge to understand why individuals express their faith through pilgrimage and what this represents within their religions.

Art—Rainforest

Subject areas covered: Art, Science, English

As **artists**, we will recap on our learning of line and tone from Year 4.

We will develop our Observational drawings to ensure that they are accurate.

We will revisit our knowledge of perspective from Spring term and use this, along with shading and texture for realism.

We will use colour mixing and blending techniques effectively.

We will build on, and develop our art skills in order to produce an observational drawing of a rainforest plant and animal.

Relationships

Subject areas covered: PSHE—Jigsaw

As **Citizens**, we will explore different areas of "Relationships". This will include:

- how to make friends, resolve conflict within friendship groups
- show respect to others and know how to help others when they feel hurt.
