Should more be done to help rescue pets?

In the news this week

Animal rescue groups in countries around the world are seeing a jump in the number of animals being brought to their shelters, as household finances are squeezed. One of the main causes is thought to be the cost of living crisis, which has meant many different costs have increased. This includes pet food ingredients such as meat, grains, and micronutrients, all of which have become more expensive in recent months. The BBC reports that, 'The cost of pet food is up by 8.8% in the European Union, and 8.4% in the UK.'

Things to talk about at home ...

- > Do you know anyone who has rescued an animal from a shelter? What do you think are some of the reasons people choose to do this?
- > Is there an animal shelter near where you live? What do you know about it?

Please note any interesting thoughts or comments

This Week's Useful Vocabulary

Crisis – A time of intense difficulty or suffering. One of the main causes is thought to be the cost of living crisis.

Expensive – Costing a lot of money. All of which have become more expensive in recent months.

Finances – The money that a person or household has. Animal rescue groups in countries around the world are seeing a jump in the number of animals being brought to their shelters, as household finances are squeezed.

Fostering – Taking care of an animal, usually for a limited time. Emma says that because they are so full, they will pay all the costs for fostering a dog.

Micronutrients – Any substance, such as a vitamin or trace element, essential for healthy growth and development but required only in minute amounts. This includes pet food ingredients such as meat, grains, and micronutrients.

Football Tournament

On Friday evening 7 pupils represented Burlington in a Tigers Trust football tournament as part of the EFL cup. Two teams dropped out on the day of the matches, leaving Our Lady and St. Peter and Hymers School from Hull competing with Burlington.

The team played Our Lady and St Peter first and worked hard as a group of players, winning 1 0. The second match against Hymers was a little more challenging as they were a strong attacking team. Burlington lost 5 0. In the second round we drew 0 0 with Our Lady and lost Hymers 5 0?.

All of the 7 children played with enthusiasm and hard work and are to be commended on that. Well done for a great team spirit and keeping going when the games were more challenging.

Well done to Finley, Harry, Brooklyn, Coco, Jude, Lennon and Reuben.

Fun Friday

Thank you again to those who took part in our Fun Friday today. We have had lots of great donations. We will not have any more Fun Friday's this year, however, any additional tombola prizes/gifts we will gladly accept over the next couple of weeks.

As mentioned previously, all profits from the Christmas Fair will be used to help subsidise the price of the Pantomime tickets for all children to The Spa.

Christmas Fair

Our Christmas fair will take place on Friday 9th December. Please contact the office if you wish to volunteer or you may wish to hold a stall for a contribution of £10.00.

Raffle tickets will be on sale soon, on a morning at the front of the school and will also be available to buy on the night of the fair - £1 per strip.

Rugby Competition

On Tuesday evening, 16 children travelled to Bridlington Rugby Club to take part in a rugby competition. 12 teams entered the competition in total which meant there was an impressive 11 games. Both teams did really well and impressed both Mr Norman and Mrs Christlow. Well done to all involved.

- 1st - OLSP (Team A)
- 2nd - Bay (Team B)
- 3rd - Bay (Team A)
- 4th - Bempton (Team A)
- 5th - Burlington (Team A)

- 7th - Martonagte (Team A)
- 8th - Martongate (Team B & OLSP Team B)
- 9th - Wold Newton
- 10th - Burlington (Team B)
- 11th - Bempton (Team B)

Ambassadors of Bridlington

This half-term, Year 3 pupils have taken part in the 'Ambassadors of Bridlington' event, in order to learn more about their local area and its history. Pupils started the day by conducting their own research in small groups, asking members of the public what they liked about Bridlington and why. Pupils then gathered their research together to present it to each other.

Afterwards, pupils were able to research famous local people, their contributions to the community and then looked for evidence of these people around Bridlington.

The children behaved well and a good time was had by all - a big thank you to the Hull Children's University staff who organised and delivered this experience.

Dates for the Diary

18th November – Children in Need
