## In the news this week

This year, the BBC (British Broadcasting Corporation) marks 100 years of broadcasting. The first daily radio broadcasts began at 6pm, 14<sup>th</sup> November 1922. TV hadn't been invented then and it was another 14 years until the BBC started broadcasting regular programmes on television. Lord John Reith was the BBC's first boss and wanted broadcasting to be taken seriously. He said that the BBC should 'inform, educate, entertain' - in that order. Before children's television, there was a children's radio programme that began in 1922, soon after the BBC was set up. It was called Children's Hour and was on between 5 and 6 o'clock every afternoon.

### Things to talk about at home ...

- What devices do you use to watch entertainment?
- What do you like to watch?
- Ask others at home, what do they watch now and what did they like to watch when they were younger?

Please note any interesting thoughts or comments

Share your thoughts and read the opinions of others

## This Week's Useful Vocabulary

**Broadcast** – A programme or some information transmitted by radio or television. The first daily radio broadcasts began at 6pm, 14<sup>th</sup> November 1922.

**Entertained** – Provided with amusement and enjoyment. What we watch can help us learn and understand about the world we live in and it can also help keep us entertained!

**Launched** – Introduced something new. Do you think the BBC is as important now as it was when it first launched.

**Podcast** – An audio file similar to a radio broadcast, that can be downloaded and listened to on a computer or MP3 player. Do you watch or listen to anything from the BBC e.g., TV, radio, podcasts?

**Traditional** – Been around for a long time. Do you often watch traditional channels on TV?

**Variety** – A number of different kinds of the same thing. Today, there is so much variety in the entertainment we watch and how we watch it.

## Christmas Dinner

Thank you to the Kitchen Staff who cooked a delicious Christmas Dinner for all the children.

## Christmas Jumper Day

Thank you to those who took part and donated for Christmas Jumper Day. We managed to raise a total of £139.22 for Save The Children.

## Year 4 Pedestrian Skills

On Tuesday, Year 4 completed their pedestrian skills training. They talked about the different crossings and how to cross roads safely. They then put this into practice by going out in small groups with an adult.

## School choir singing - St John's Methodist Church

It was lovely to hear our School Choir performing for the first time in several years. Once again they sang a selection of Christmas songs at the Festival of Christmas which is currently taking place at St John's Methodist Church. Well done to all the children who performed so beautifully.

## Christmas Decorations

This year as part of our Nature Friendly Schools project we will be making 'Robin' tree ornaments. Each child will get a chance to make one. The cost of these will be a £1. If your child would like to make one, please send the money in to the class teacher. All money raised will be reinvested into our nature project.

## Welcome to new office staff

We welcome Ms Dunn who has recently joined our school office.

## Parking

Please refrain from parking on private roads when dropping off and collecting your child from school. We have recently had complaints with our neighbouring residents who cannot access their road due to cars blocking road entrances and private parking spaces.
