How do communities support each other in difficult times?

In the news this week

Schools in parts of Turkey and Syria have been reopening in the weeks since the devastating earthquakes hit, many in the form of makeshift tents. Teachers in the affected areas are making certain children's education continues, despite the difficult circumstances. Many school buildings were affected in the earthquakes at the start of February, leading to all educational institutions nationwide being closed for over two weeks. Although many learning centres have since reopened, lessons have had to also continue in tent schools, set up by volunteers and authorities in the worst affected areas.

Things to talk about at home ...

- Share your knowledge and understanding of last month's earthquakes in Turkey and Syria.
- Talk about how difficult it may have been for the affected communities there.
- Thinking about your own community, how do you work together – especially when things are hard?

This Week's Useful Vocabulary

Circumstances – Facts or events that make a situation the way it is. Teachers in the affected areas are making certain children's education continues, despite the difficult circumstances.

Devastating – Causing a lot of damage or destruction. Schools in parts of Turkey and Syria have been reopening in the weeks since devastating earthquakes hit, many in the form of makeshift tents.

Earthquake – A sudden violent shaking of the ground caused by movements within the Earth's crust or volcanic action. Many school buildings were affected in the earthquakes at the start of February.

Establish – Set up on a firm or permanent basis. One Deputy Director of National Education, Arif Kirkpinar, helped establish a tent school in one of the areas affected.

Makeshift – Temporary and of low quality but used because it is suddenly needed. Schools in parts of Turkey and Syria have been reopening in the weeks since devastating earthquakes hit, many in the form of makeshift tents.

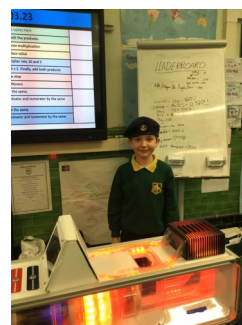

Salvaged – Items saved from damage or destruction. To do this, they had limited resources and used desks and chairs salvaged from destroyed buildings.

Navy STEM Team - Year 5

What a wonderful couple of days year 5 have experienced with the Navy STEM team. Having been exposed to some of the science, maths and engineering skills that you need to do a job like this our children were truly inspired, expanding their aspirations for the future into this field.

We have used our knowledge of surface area to create propellers that will save energy on board a Navy destroyer, created circuits that make a different form of propeller fly and learnt to programme to control robots remotely.

It was brilliant for the children to realise that science, technology, engineering and maths can be used in many ways in the Navy.

Paintbox - Year 4

Over the last 3 weeks, year 4 classes have been visiting the village of Warter to learn about the famous artist David Hockney. The children carried out some sketches in the morning and even saw a colony of Red Kites which are a rare bird. After lunch, the children did some paintings from their rough sketches. This was a trip enjoyed by all.

A huge thank you to Rose the artist and Hull Childrens University for a fantastic trip.

Clubs

We have spaces on the following clubs for next term - dodgeball (year 5 & 6), history, board games, running, gym, knitting, nature and golf.

Congratulations

We would like to congratulate Miss Hodgson and her partner on the birth of their baby boy.

Parking Concerns

We have been contacted by Priory View opposite the school with regard to parking and waiting around the area during school drop off and pick up times.

They have raised concerns around the safety of the staff and those attending the service. The increased traffic on the site around pickup/drop off times pose a number of issues, especially for some of the attendees who may have a tendency to wander/abscond.

Please be mindful and respectful of our neighbours and avoid these premises and other residential parking areas near the school.

Kenya Football Shirt Donations

CREATE A FAN IN KENYA ! DONATE YOUR OLD SPORTS SHIRTS

Rams in Kenya (Derby County FC Community Trust) aims to support children in five Schools in the slums of Nakuru, Kenya.

We're aiming to create over 100 sports fans (football, rugby, basketball, anything!) by donating an old (or new!) shirt and donating to Rams In Kenya charity (Registered Charity No. 1123520). The shirt can be any sport, any team, any size and we'll donate to families at the Schools in Nakuru

Where to drop off your shirts.

- Bridlington CYP – Harpers Bar - YO16 4AY
- Bridlington Soccer School:
- Saturday Sessions – Headlands School
- Soccer Schools (School Holidays) - CYP - YO16 4AY
- Town Bar – Bridlington Town A.F.C. - YO16 7LN
- Bridlington Echo - YO16 4QA
- East Riding College: Bridlington Reception - YO16 7JW
Beverley Reception - HU17 0GH
- Cue and Cushion - YO15 2QE
- Pick-up – anywhere locally - message 07958033162

Create a Fan' in 2 minutes.

Scan and donate – support the charity and assist in the processing/delivery of your shirt to someone in Africa. Recommended donation £5 per shirt to support processing, logistics and delivery. Please consider gift aid with your donation, this will add 25% of the donation for the Charity!

Scan and share – Three quick questions to learn about you, your sports team, and we'll hopefully send you some picture of a new fan you've supported in Kenya

If you require any information please contact
Paul Smith on 0795 8033 162
