Picture News

In the news this week

30 years ago, on 30th April 1993, Swiss science company CERN opened up the World Wide Web to the world, free-of-charge. The 'collaborative information system' was being used by the scientists at CERN (the European Organisation for Nuclear Research) to communicate, without delay, across countries and continents but deciding that there could be wider uses for the tool, they made it available for everyone.

Things to talk about at home ...

- How often do you access websites online? Are there any particular sites that are your favourites? What about others in your home?
- Talk to someone older, who can remember a time before people had access to the World Wide Web. Ask them how things were different.

Please note any interesting thoughts or comments

This Week's Useful Vocabulary

Collaborative – Produced by or involving two or more people or groups working together. The 'collaborative information system' was being used by the scientists at CERN.

Network – A number of computers connected together so they can share information. The decision to put the Web in the public in 1993 allowed the network to become what it is today.

Online – Using the Internet. Talk about some of the devices we use to go online.

Proposed – Suggested as a possible plan or action for people to consider. Tim Berners-Lee, a 37-year-old computer scientist from London, proposed a system of pages of information (now known as websites).

Public domain – Available for everyone to see or know about. The decision to put the Web in the public domain in 1993 allowed the network to become what it is today.

Website – A page or group of connected pages on the World Wide Web about a particular subject, published by a single person or organisation. Can you list some of the main users of websites?

London - Year 6

The second group of Year 6 pupils enjoyed a hot and sunny visit to London this week—this included a visit to The Houses of Parliament where we saw MPs debating in the House of Commons, a visit to 10 Downing Street, a river cruise on the Thames, The Lion King and a peaceful sleep on HMS Belfast - a busy but enjoyable visit!

Chris Kirkham—Soccer Event

On Tuesday evening, 2 teams from Burlington took part in a Chris Kirkham organised football event. Both teams played two games each. The focus of the event was about participation and enjoyment and both teams enjoyed their evening. Well done all.

Leisure World - Year 6

Children from Year 6 had a fabulous time at Bridlington Leisure Centre on Thursday. They took part in activities such as: the climbing wall, swimming and splash zone, badminton and table tennis. All the children showed resilience and determination and had a wonderful time. Well done to everyone!

Yr 3 & 4 Reading Cafe

In the last two weeks, all of our Year 3 and Year 4 pupils have had the opportunity to visit our reading cafe. This is a chance for them to experience different books and develop their love of reading- which is a priority for us at school.

Tilly- Y4 Reading Ambassador

It was relaxing and fun- I enjoyed learning facts about Cats on the Non-Fiction table.

The whole class should be more fluent at reading because they have a chance to visit the Reading Cafe.

Sophie- Class 5 Reading Ambassador

I think it was good because lots of people could chose a book that they had never read before and enjoy it in a nice, calm place. We are really hoping that all children will do three reads at home every week.

Ivy- Class 2

There were loads of nice and interesting books to choose from so we could all find something we liked that was exciting to read. I love reading so much- it settles me down and I love imagining the characters and places in my head.

Travis Class 3

I loved going in the reading cafe because it was full of lots of books- I liked the one about Egyptians and Why the Whales Came. I like looking at the front covers and the blurb because that tells you what the book will be about.

'Stay & Write'

Next term we will be inviting parents/carers into their child's class to experience a writing session together.

Please come straight into school on these days if you would like to join your child in their learning.

Year 3 — Wednesday 7th June 8:45 - 9:40am

Year 4 — Wednesday 14th June 8:45 - 9:40am

Year 5— Wednesday 21st June 8:45 - 9:40am

We look forward to welcoming everyone on these dates.

Clubs - Important information

Board games and basketball is now finished for the year.

'Go Yellow for Shine' - Friday 16th June

On Friday 16th June 2023, we will be supporting the charity Shine by taking part in their 'Go Yellow for Shine' day. We aim to help raise vital funds so that the charity can continue to provide specialist advice and support for children and adults living with spina bifida and hydrocephalus. Children that wish to support this are welcome to **wear something yellow** to school in exchange for a small donation.

ScholarPack Parents App

Scholar pack have done a fix on the app which will significantly improve the performance, please contact us if you continue to have problems.

Bridlington Soccer School CYP - Chris Kirkham
