TAKEHOME

Is a school more than just a building?

In the news this week

More than 100 schools across the UK have been affected by a potentially dangerous concrete used in their construction between the 1950s and the mid-90s. The crisis has left some school staff struggling to find temporary teaching accommodation and forced many pupils to begin their academic year learning online. It's not just schools affected; more than 30 hospitals are also believed to be at risk, according to experts.

Things to talk about at home ...

- Share your thoughts on this week's news. Are you aware of any local schools or hospitals that have been affected?
- For those pupils resuming learning online from home, how do you think they might feel?
- Considering school buildings, how do you believe they might change in the future? Can you think of any ways to improve school buildings or classrooms?

Please note any interesting thoughts or comments

This weeks useful vocabulary

Concrete – A building material made by mixing cement, sand, small stones, and water. More than 100 schools across the UK have been affected by a potentially dangerous concrete used in their construction.

Construction – The action of building something, typically a large structure such as a bridge, building etc. More than 100 schools across the UK have been affected by a potentially dangerous concrete used in their construction.

Crisis – A time of difficulty, danger or confusion. The crisis has left some school staff struggling to find temporary teaching accommodation.

Experts – People who are very knowledgeable about or skilful in a particular area. Its not just schools affected; more than 30 hospitals are also believed to be at risk, according to experts.

Monitoring – Regularly checking something's development or progress and sometimes commenting on it. It was only after many buildings had been built with this concrete that it was discovered that the material may lose strength over time and so the government has been monitoring the risks.

Temporary – Lasts for a limited time; not permanent. The crisis has left some school staff struggling to find temporary teaching accommodation.

Football - Year 5 & 6

On Tuesday evening, 2 teams of Year 5 and 6 football players travelled to Bridlington School to take part in a football tournament.

Both teams improved their performances as the tournament progressed. There were some impressive skills on show and also some excellent examples of team work. Burlington 1 finished the competition in 3rd place. Burlington 2 ended the competition in 4th place. These places were decided by a very tense penalty shootout. Well done to all involved.

Bridlington Forum - Year 6

Reminder: For the children attending the Forum trip on Wednesday 27th September, they will be walking to and from the event. Please wear usual school uniform and suitable comfortable shoes. Please provide a packed lunch for your child, alternatively if your child is eligible for free school meals and would like a packed lunch providing please let the school office know.

School Crossing Patrol

The School Crossing Patrol who works on Scarborough Road near the petrol station has a period of planned authorised absence, so will not be at the crossing site until 25th September. Please take extra care when crossing.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
