In the news this week

Who is responsible for Antarctica?

Scientists have found more flowering plants, moss, and algae in Antarctica in the last 10 years than usually grow in 50 years, and the extent of floating sea ice there has hit record lows. Polar explorer and environmentalist, Robert Swan, has been so concerned about the radical changes to Antarctica that he founded the 2041 Foundation, with the aim of ensuring the preservation of Antarctica through the promotion of recycling, renewable energy, and sustainability to combat the effects of climate change. The charity, 2041 School, encourages young people to learn more about the initiative.

Things to talk about at home ...

- Share any prior knowledge you have about Antarctica. Is it a place you would like to visit? Why?
- Do you believe individuals have a part to play in protecting places such as Antarctica or should world leaders do more?

Please note any interesting thoughts or comments

Share your thoughts and read the opinions of others

This weeks useful vocabulary

Combat – Take action to reduce or prevent something. With the aim of ensuring the preservation of Antarctica through the promotion of recycling, renewable energy, and sustainability to combat the effects of climate change.

Combined – Unite for a common purpose. All our actions combined can make a positive difference.

Environments – A person who is interested in or studies the environment and who tries to protect it. Polar explorer and environmentalist, Robert Swan, has been so concerned about the radical changes to Antarctica that he founded the 2041 Foundation.

Preservation – The act of keeping something the same or stopping it from being damaged. With the aim of ensuring the preservation of Antarctica through the promotion of recycling, renewable energy, and sustainability to combat the effects of climate change.

Radical – Extreme or far-reaching. Polar explorer and environments, Robert Swan, has been so concerned about the radical changes to Antarctica that he founded the 2041 Foundation.

Sustainability – Causing little or no damage to the environment and therefore able to continue for a long time. With the aim of ensuring the preservation of Antarctica through the promotion of recycling, renewable energy, and sustainability to combat the effects of climate change.

Teddy Bear Stall - Christmas Fair

We are still collecting any pre-loved cuddly toys that you would like to donate please ensure these are clean and in good condition. These can be handed in anytime between now and the 7th December to Mrs Robson or the School office.

Fun Friday

Thank you to all who took part in our final Fun Friday this week. We managed to raise a total of £147.65 and received some lovely gifts for the Christmas Fair.

Raffle Tickets

Raffle tickets are still on sale at the front of the school every morning leading up to the Christmas Fair. These can also be purchased from the main office. £1 per strip.

See the list below of some of the fantastic prizes you could win.

Santa tickets are also on sale everyday at the office for £2 each. You can also return the raffle ticket slips that have come home this week with your child.

Library Visit - Year 4

Year 4 have visited North Bridlington Library this week and last week to see the excellent facilities as well as learn about the variety of free services and events that the library provides. The children had a small talk on how the books are set out in the fiction section and had a chance to look for authors alphabetically. They were then shown how to look up non-fiction books using the system that the library has in place.

The librarian talked about our topics of Electricity and Rivers and the children worked in small groups to read through some of the books and then share their knowledge with the others. Everyone enjoyed the visit and some children are keen to join the local library.

Calendar Dates

4th December -	Lego Stem Activity - Year 5
8th December -	Christmas Fair 3:30pm
12th December -	Christmas Dinner - £2.20
18th December -	Year 3/4 Christmas Play - Dress rehearsal (toddlers and parents/relatives are invited) 2pm
19th December -	Year 3/4 Christmas Play 6:30pm plus the School Orchestra and Choir (tickets are £1 and go on sale on Monday 11th December, initially 2 tickets per child).
20th December -	Christmas Party day - free party lunch for all children
21st December -	Pantomime - Beauty & The Beast (Bridlington Spa)
22nd December -	Priory Church - 9:30am Infant and Junior Carol service.

Break up for the Christmas Holidays
