Picture News

In the news this week

Twinpike Way, a street in York, is also known as Twinklepike Way as usually in December, every home is lit up with incredible festive lights to raise money for charity. The residents started putting up the lights in 2000 and since then, hundreds of people have come to visit them. After 20 years and raising over £100,000 for charities, the homeowners have collectively decided that it's time for a break this year, partly due to the ages of the residents. Rising energy bills and the closure of the local bank branch, where the donations are typically paid, added to the decision.

- Share your thoughts about the decorations in the poster image. Do you like to see homes with lots of decorations outside? Are there any in your local area?
- Can you think of different times when you use decorations? Is there a particular time when you enjoy decorating your home or classroom?

Priory Church - Carol Service

This morning the children walked down to the Priory Church to participate in our yearly carol service, together with Burlington Infant School. It was lovely to be back at the Priory where some pupils carried out a short reading. Our Choir performed two beautiful songs.
