Community Gardening Day– Saturday 3rd February

On Saturday 3rd February, we will be having a community gardening morning from 9am to 12pm, preparing an area for a Tree Nursery.

Members of staff from Burlington Junior School will be on site at all times the school grounds are open. Access to the school will be from Marton Road.

If your child is able to help out at this event, please sign the permission slip that Mr Clark has sent over Class Dojo and return to school. Alternatively, you can contact the school office for a slip to be sent home with your child.

Stay and Write - All Years

On the following dates you are welcome to come and join your child for our 'Stay and Write' session. Please come in with your child at 8:45am. This will finish around 9:40am.

Year 4 - Tuesday 20th February

Year 6 - Thursday 22nd February

Year 3 + Year 5 - Wednesday 6th March

Parking

Can we please remind you of the importance of safe parking within the school perimeters during drop off and pick up times.

Dangerous parking can pose huge danger to children/members of the public. E.g - parking on the zig zags/ double/single yellow lines/ double parking and getting children into cars from the roadside onto oncoming cars.

Whilst we work extremely hard to safeguard children whilst educating them, we ask that your actions also reflect this when it comes to parking safely.

Picture News

In the news this week

Motorists in Britain could be completing journeys using driverless cars by 2026 the transport secretary, Mark Harper, has predicted. He believes that fully autonomous vehicles, in which people become passengers in their own cars, will arrive in the UK that year and follow a gradual rollout. The government introduced a bill in a speech by King Charles III that paved the way for autonomous cars, without a safety driver, after pressure from industry, MPs, and Sir Patrick Vallance in his recent review of technology regulation.

Things to talk about at home...

- > Do you think you would like to travel in a self-driving vehicle?
- > Make a list of the positives and negatives of self-driving vehicles.
- > Do you believe we will see more self-driving vehicles on the roads over the next few years?

Please note any interesting thoughts or comments

This weeks useful vocabulary

Autonomous – Able to operate without being controlled directly by humans. The government introduced a bill in a speech by King Charles III that paved the way for autonomous cars.

Bill – A formal statement of a planned new law that is discussed before being voted on. The government introduced a bill in a speech by King Charles III.

Navigation – The act of knowing your position and planning and following a route. Using this information, the car then identifies an appropriate navigation path and strategies for managing traffic controls.

Optical – Relating to vision or light. Self-driving cars use sensors to identify their surroundings, such as optical and heat cameras, radar, GPS, and other technologies.

Revolutionise – To drastically change something for the better. Self-driving transport has the power to revolutionise how we travel.

Rollout – Make something available for the first time. He believes that fully autonomous vehicles, in which people become passengers in their own cars, will arrive in the UK that year and follow a gradual rollout.

Parents' Evening

Parents' evening will take place on either:

Tuesday 12th, Wednesday 13th or Thursday 14th March.

New Year...New Activity...an essential life skill!

What better time to get your child water confident and swimming to ensure they are safe in and around the water.

Our baby and pre school programme is suitable for little ones from birth up to 5 years, and also offer new classes on evenings and weekends for school aged children from 4-10 years. In the local area.

Our teachers are in the water and class sizes are kept small for that 1:1 interaction with your child, we swim in lovely warm pool and our classes are fun, engaging and progressive.
