We break up today for the Easter Holidays for 2 weeks
and will return on Tuesday 9th April :)

Easter Bonnet Parade + Decorated Egg competition

Today, we kick started the Easter Holidays by celebrating our Easter Bonnet Parade and the Decorated Egg competition. Parents joined us to watch the children and the outstanding efforts that went into this. It was a delight for Mrs Scargill to join us to help pick the winners.

Below is a picture of the chosen winners who all won an Easter Egg and to everybody who took part who won an Cadburys crème egg. Happy Easter!

Making Bird Feeders (Year 5)

On Monday, some Year 5 pupils made bird feeders with Mrs Robson.

The children used cardboard tubes and covered them with lard, they then rolled this in bird seed and attached some string to hang these up for the birds to feed on.

The children are excited to see what birds these feeders attract from their own gardens!

Cross Country

On Tuesday afternoon, two pupils from Burlington travelled to Hull to compete in the Cross Country final. Many other schools participated, with just over 100 children. A huge shout out to Alfie who placed within the first top 10.

Well done to Alfie and Frankie!

Murton Park - Year 3

This week, Year 3 have visited Murton Park to experience life in the Stone Age! During each visit, pupils were able to dress and live like a Stone Age person, taking on the everyday tasks and chores that were needed to survive in the Stone Age through to the Iron Age. Hunting trips were organised to make sure the clans did not go hungry whilst other domestic chores were completed! All pupils explored different pre-historic artefacts, as well as making their own clay pot. The pupils showed impeccable behaviour throughout the day and were a credit to Burlington Junior School. Well done, Year 3!

TAKEHOME

In the news this week

Many families travelled to Glasgow for an event that claimed to channel the magic of Charlie and the Chocolate Factory. On its website, Willy's Chocolate Experience, guaranteed chocolate fountains, performances by Oompa Loompas, and interactive experiences, with tickets priced at £35 per person. Visitors were greeted by rows of large empty tables and walls of black fabric separating different, almost empty, spaces. Upon facing crowds of disappointed ticketholders, organisers decided to cancel the two-day event after the first morning.

Things to talk about at home ...

- How do you think visitors to the experience might have felt when they realised the experience differed from what they expected?
- Can you think of a time when something didn't go well, even though you tried or thought it would? How did you deal with it?

Please note any interesting thoughts or comments

This weeks useful vocabulary

Array – A wide and impressive range of a particular type of thing. Explore an array of themed rooms like the Enchanted Garden and the Vision Room and Lemonade Gallery, each offering unique and delightful surprises.

Attraction – A place where people visit because it is interesting or fun. Can you think of a time you were looking forward to an event or attraction and it wasn't as good as you had hoped?

Claimed – To say that something is a fact or is true, though it can not necessarily be proved. Many families travelled to Glasgow for an event that claimed to channel the magic of Charlie and the Chocolate Factory.

Interactive – Designed to involve people. Willy's Chocolate Experience guaranteed chocolate fountains, performances by Oompa Loompas, and interactive experiences.

Realm – A world of kingdom. Step into the magical realm of Willy's Chocolate Experience.

Refund – Money returned to the person who paid it as they are not happy with the goods or services they received. The organisers have said everyone who bought tickets will receive a refund.

Celebrating 200 years of RNLI - Bridlington

As part of the 200 year anniversary of the RNLI, children at our Art Club have been hard at work creating this stunning banner to display outside Bridlington Lifeboat Station. It is now on display outside the turning circle in front of the large barn doors, along with some other amazing banners from the other primary schools around Bridlington.

There is also a Children's Spring Arts and Crafts day being held at the lifeboat station on Saturday 30th March, where children are invited to see the artwork on display, make and take crafts and complete an egg hunt and enter a tombola.

I think you'll all agree, the children of Burlington created an absolutely beautiful banner which captures the heart of the RNLI in Bridlington wonderfully.
