Club Information

Burlington Infant and Junior School's Breakfast Clubs run from 07:45am until the start of the school day.

Children can join in anytime after 07:45am, they don't need to be there from the start of a session, although we do stop serving breakfast at 08:30am.

The Club is held in the Infant school hall and Junior school canteen, supervised by Mrs Muir, Mrs Linford, Mrs Clarkson, Mrs Kemp, Mrs Bingham and Miss Porter

Children are escorted to their respective classes by staff at the end of the session ready for the start of the school day. Whilst they are there, the children receive a healthy breakfast and can participate in a range of activities.

Health-wise, any relevant medical or allergy information is provided by the school offices and a qualified first aider is on-site at all times.

If your child would like to join the club please just turn up on the day -we have plenty of staff, so there is no need to book.

For any enquiries, or if you would like to visit the club to see it in action please speak to the staff at the Infants School office, thank you.

Food Allergen Information

From December 2014 it is a legal requirement to inform our customers of any allergenic ingredients in the food and drink that we supply. With this in mind we have produced the list below to inform all parents and carers about the food we serve at our Breakfast Club.

An 'allergen' is a substance that reacts with the body's immune system and can cause an 'allergic' reaction.

An 'allergy' is an abnormal response to a food triggered by the body's immune system.

What are the major Allergens?

There are 14 major allergens that legislation requires us to declare. These are: Celery, Cereals containing Gluten, Crustaceans, Eggs, Fish, Lupin, Milk, Molluscs, Mustard, Nuts, Peanuts, Sesame seeds, Soya and Sulphur Dioxide.

Products are purchased from varying outlets subject to availability.

Our Breakfast Club serves the following items:
