Cricket Tournament - Beverley

Last Friday, 8 keen cricket players travelled to Beverley Cricket Club to take part in the second round of the East Yorkshire schools cricket competition.

The day started well with Burlington beating Airmyn Primary School on the last ball of the first game. This win was down to great all round team play. A special mention must also go to Noah Gazeley who hit 4 sixes!

Unfortunately, all of the following games were losses. The team still got plenty of game time which was brilliant for all the children to keep practising their batting and bowling though.

It was a great day of cricket and the children all showed resilience and displayed excellent behaviour. Well done!

Bridlington in Bloom

We had a visit from the Bridlington on Bloom team on Friday 14th to view how we could help their application for the prestigious Yorkshire in Bloom awards. They were very impressed by our very colourful school grounds and our pond, meadow, hedgerow, orchard and school grounds areas. They will bring the judges to visit our school on the 22nd July. Fingers crossed!

Mini-beasts

As part of our Year 6 science unit on classification, we invited Andrew Cottrell, a Community Engagement Manager for the Yorkshire Wildlife Trust, into school to help us with a mini-beast hunt. He was able to give his expertise on where we would find particular insects and also about what insects we had discovered (there were many!). We hope to develop our links further with wildlife experts to help us understand our wild schools' grounds more.

Our New Greenhouse -

We celebrated the opening of our new greenhouse on Tuesday, kindly donated by Mrs Jordan to the ongoing garden and nature work of Burlington Junior School. Mr Wollerton constructed a raised bed which is already growing a crop of tomatoes; we are also growing pots of plants to be sold on the Secret Garden weekend of 29th-30th June.

Pokémon Tournament

On Tuesday, we held an after-school Pokémon Tournament, mediated by Mighty Lancer Games, Bridlington. Fourteen pupils battled each other over 3 rounds of battles – the atmosphere was very tense. Well done to Lucas for winning all of his games and to all the players, who all won prizes of packs of Pokémon cards. Mighty Lancer Games hold a Pokémon Club every Thursday 4–6pm at their shop on Kings Street, Bridlington.

World of Work– Year 6

During the week of 10th – 14th July, we visited numerous local businesses and organisations as part of our World of Work programme, including Morrisons; Pets at Home; the RNLI; Bridlington Spa; Sewerby Hall; Beauty Bank; Pinkney Grunwells Solicitors; The Hinge Centre; the Coastguards; The Library; the Hair Salon and Burlington Pre-School. The pupils were given a talk and a tour and were given the option to ask questions. We are very grateful to all of the staff in school and the local businesses and organisations who gave their time for us to learn more about the world of careers, and also to the organisations who still have visits planned to our school.

TAKEHOME

In the news this week

Should we always be prepared for an emergency?

The UK government has launched a new website, prepare.campaign.gov.uk, designed to help people plan for potential dangers and equip themselves with the necessary knowledge and resources to respond effectively. Households are encouraged to understand the hazards in their local area by checking their long-term flood risk and signing up for flood and weather warnings. Creating an emergency plan is another key aspect of being prepared, including deciding on escape routes and keeping important phone numbers to hand.

Things to talk about at home ...

- > Do you have any plans in case of emergencies in your household? Is it something that you prioritise?
- > Have you, or anyone at home, ever experienced an emergency? Were you prepared for it? If so, if it happened again, is there anything you would do differently?

This weeks useful vocabulary

Equip (oneself) – To gather the necessary things for a specific situation. The UK government has launched a new website ... designed to help people ... equip themselves with the necessary knowledge and resources to respond effectively.

Hazard – A source of danger or harm. The UK government has launched a new website, prepare.campaign.gov.uk, designed to help people plan for potential hazards.

Mains power – The electricity that is supplied to people's homes. How many of us have the means to listen to the radio without mains power or Wi-Fi?

Means – A way of doing or achieving something. How many of us have the means to listen to the radio without mains power or Wi-Fi?

Outage – A period when a service, such as electricity, is not available. If there was a national power outage, how many of us have torches and batteries?

Portable – Easily moved or carried by hand. Portable power bank for charging your mobile phone.

Parent/Carer Coffee Morning

Date: Wednesday 3rd July 2024

Time: 09.00 – 10.00am

Location: Burlington Junior School

We are running a joint coffee morning with Burlington Junior and Burlington Infant School. This is an opportunity for parents/carers to meet the MHST team, find out more about the East Riding MHST service, and seek support/advice around emotional wellbeing.

Theme: Transition Support

We look forward to
seeing you!
