Curriculum Overviews and Knowledge Organisers for each year group have been sent out via email. You can also find these on the school website. These overviews show you what the children will be learning about during the Summer 2 Term. Please discuss the Knowledge Organisers with your child on a regular basis in order to remember key facts and information. If you require a paper copy then please contact your child's class teacher or the school office.

In the news this week

6th June is the 80th anniversary of the Battle of Normandy, the day in 1944 when Allied forces from thirteen different countries stormed five beaches in Normandy, France. This marked the beginning of the end of World War II. A World War II veteran, Henry Rice, who is 98 and from Surrey, has called for schools to teach children more about D-Day 1944. He believes that by learning about the history of it, they could urge politicians to avoid wars.

Things to talk about at home ...

- > Can you ask someone at home about their awareness of the World Wars? Do they have, or do they know anyone with, memories of the wars?
- > This week's poster image shows a tribute to all the soldiers, who lost their lives on D-Day in France. Do you know if there are any local events or tributes to D-Day being held in your local area?
