Welcome back

Welcome back everybody. We hope you had a lovely Summer and we look forward to a great school year.

Burlington Juniors - New Library

For anyone who has visited our school, it will come as no surprise that we LOVE reading at Burlington! Not only does every class have their own reading corner but we have our own new and exciting library to explore. It is a welcoming space full of brand new, interesting and varied books to tempt and excite every reader with cosy and comfortable seating to sit back and enjoy a book.

We would like to thank The Lord Feoffees and the National Literacy Trust for their generous donation towards the purchase of many of the books.

How can communities help each other in times of difficulty?

Over the summer, many protests took place in England and Northern Ireland. Some of these became violent and turned into riots, which caused a great deal of damage to cars and buildings. It is thought that a lot of the protesters involved were encouraged by misinformation spread online. Following the protests, communities in many towns, including Middlesbrough, organised clean-up efforts that united people from all faiths and races.

Things to talk about at home ...

- > What does community mean to you? How would you describe your local community?
- > Can you think of a time when you have either helped or been helped by your local community?
