Ruth Ibbetson	Education Welfare Service	education.welfare@eastriding.gov.uk

Definitions and acronyms

Definition of a parent - For the purpose of this policy, as set out within 'Working Together to Improve School Attendance,' August 2024 a parent means:

- all natural parents, whether they are married or not;
- any person who has parental responsibility for a child or young person; and,
- any person who has care of a child or young person (i.e. lives with and looks after the child).

Introduction and core principles

Every pupil has a right to a full-time education and high attendance expectations should be set for all pupils, the attendance policy should account for the specific needs of certain pupils and pupil cohorts. The policy should be applied fairly and consistently but in doing so schools should always consider the individual needs of pupils and their families who have specific barriers to attendance. In development and implementation of their policy, schools should consider their obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child.

An effective whole school culture of high attendance is underpinned by clear expectations, procedures, and responsibilities. To ensure all leaders, staff, pupils, and parents understand these expectations, this attendance policy, based on the expectations set out in 'Working Together to Improve School Attendance' August 2024 outlines these.

The policy should be easily accessible to leaders, staff, pupils, and parents, including being published on the school's website. Parents should be sent it with any initial information when pupils join the school and reminded of it at the beginning of each school year and when it is updated.

At Burlington Junior School we recognise the link between regular attendance and high attainment. We expect that all pupils will attend school every day that the school is open unless there is a specific reason for the pupil not attending. We are committed to applying the core principles as set out in Working Together to Improve School Attendance, August 2024.

Roles, responsibilities and expectations – the table below is taken from the DfE ‘Summary table of responsibilities for school attendance,’ August 2024.

Parents are expected to:	Schools are expected to:
Ensure their child attends every day the school is open except when a statutory reason applies.	Have a clear school attendance policy on the school website which all staff, pupils and parents understand.
Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness).	Develop and maintain a whole school culture that promotes the benefits of good attendance.
Only request leave of absence in exceptional circumstances and do so in advance	Accurately complete admission and attendance registers.
Book any medical appointments around the school day where possible.	Have robust daily processes to follow up absence.
	Regularly monitor data to identify patterns and trends and understand which pupils and pupil cohorts to focus on.
	Have a dedicated senior leader with overall responsibility for championing and improving attendance.

School Times

It is important that your child is at school for the start of the school day. The school day is made up of two sessions, a morning, and an afternoon. Registers are taken during these sessions. School times are:

Our doors open at 8:45am and registration is at 8:55am. Any children arriving after 9:15am will be marked as late. Children arriving after 9:30am will be marked as an ‘unauthorised absence’ unless a genuine reason has been reported to the office.

If a child arrives after 9:00am, their parent/carer must bring them into the school office, sign them in and explain why they are late. The child will receive a late mark, which will impact on their overall attendance and progress.

Informing the school of the reason for an unexpected absence.

You must contact the school as soon as possible to inform us that your child will not be attending school and you will be asked to provide a reason for this absence. This will ensure that the absence is accurately recorded in the register. You can contact the school office via telephone on 01262 674487 or send a message through the school app. If a child’s absence is not reported then school will contact parents/carers to ascertain the reason for absence. Where an absence has not been reported and

school have been unable to speak with a parent/carer after three days, then school will complete a home visit to meet safeguarding requirements.

Requesting leaves of absence from school in exceptional circumstances.

Absence for the purpose of a term time holiday is not usually considered exceptional. Please complete the school's form to request absence from school in exceptional circumstances. The form can be found on the school website or from the school office.

If your request is not approved and your child is absent during this time then the absence will be recorded as unauthorised and the school may refer the unauthorised absences to the local authority and parents may be liable for a penalty notice (fine).

How the school is promoting and incentivising good attendance.

Good attendance has many benefits: children who attend regularly are more likely to do better socially and academically which helps them to achieve their potential in school and the wider world.

We celebrate good attendance in school with a range of rewards including certificates, free swim passes and ice-cream!

The school's strategy for using data to target attendance improvement efforts to the pupils or pupil cohorts who need it most.

All schools record their attendance registers in a school information management system. The school will analyse this data to identify trends and patterns of pupil absence and may use this to target attendance improvement efforts to the pupils or pupil cohorts who need it most.

The school's strategy for reducing persistent and severe absence, including how access to wider support services will be provided to remove the barriers to attendance and when support will be formalised in conjunction with the local authority.

The school will use its attendance data to help it identify pupils whose attendance has fallen below 90%, making them at risk of becoming a persistently absent pupil or below 50% (at risk of becoming a severely persistently absent pupil).

The school will contact you to discuss your child's attendance if there are regular absences.

Unacceptable attendance procedures

- If a child attendance falls below 90% a first notification letter is issued to parents.
- If a child's attendance continues to fall the parent/carer will then receive a letter to inform them of this.

- If a child's attendance continues to fall further their parent/carer will receive a letter inviting them to a meeting at the school, which will result in an Action Plan being put in place.
- If a child's attendance continues to fall further their parent/carer will be invited to a meeting at the school, which will result in an Attendance Contract being put in place.
- Following the Attendance Contract any further absences will result in a referral to the school Education Welfare Service at the Local Authority.

A number of unauthorised absences may result in penalties being issued by the Educational Welfare Office

Where there is no improvement in school attendance and all support interventions both in school and out of school as outlined above have been offered, then the school will meet with the Local Authority's Education Welfare Service (EWS) and agree whether they will become involved and formal interventions may be considered. These formal interventions could include the use of a voluntary parenting contract, penalty notice, education supervision order, school attendance order or prosecution in the magistrate's court.

Review

This policy will be reviewed regularly and updated as necessary.

As noted in 'Working Together to Improve School Attendance,' 2024, the school will seek the views of pupils and parents as part of the review process
