Message from Mrs Kirby

Thank you to everyone, parents/carers/family members and staff for shopping at Asda and helping us raise money for our children. We have raised £123.16 in total and every penny will go to enrich our children's education and enjoyment.

Careers Award

We are, together with Kingsway Primary, the first primary schools in the country to be awarded the nationally endorsed Career Mark Primary Gold Award for good practice in career learning. Well done to all our staff and pupils for achieving such a fantastic award. A special thank you to Ms Sutton and Mrs Blackburn for all the extra work they put into this. If you want to read more about this we are currently in the Bridlington Echo and Scarborough News and an article will shortly be in the Yorkshire Post.

Year 3/4 Singers - Applegarth Care Home

This week, some pupils have visited Applegarth Court to bring a little Christmas cheer to their residents! Pupils performed songs from our Christmas production, 'Lights, Camel, Action 2' as well as some traditional favourites such as 'Away in a Manger.' All pupils sang beautifully and should be proud of their efforts.

Sports stars/Comfies Fundraising

Thank you to all who have made an effort today to dress as Sports Stars/Comfies. We have managed to raise a total of £144.49

STEM Learning

This week, all Year 3 pupils took part in a Supergrid learning activity, hosted by Mike from STEM learning. Pupils discussed how power is generated, how wind turbines are made and their effect on the environment. Pupils then took part in different activities, building their own mini wind turbines!

Well done to Year 3 for your super effort and a big thank you to our visitor for such a great day!

Handmade items - Mrs Baxter

Next Friday, during the morning break and after school, we will be selling handmade bookmarks, charmingly designed book Christmas trees and book hedgehogs. Prices for these unique items will range from 10p to £1.50, making them an affordable addition for your children to enjoy or gift to their friends and family. The sale will take place at the front of the school. All proceeds from the sale will be used to enhance our library resources and activities, which in turn will benefit our children's educational experience.

What does it mean to feel included?

In the news this week

The Football Association (FA) has laid out new plans aimed at raising awareness and increasing participation in disability football. The strategy, called Football Without Limits, includes growing the Comets programme for young people aged 5-11. The FA says Comets will be the most inclusive format of the sport and will provide a safe and supportive space for children to start playing football.

Things to talk about at home ...

- > Share your thoughts about the FA's plans to increase awareness of disability football.
- > Can you think of a time when you have felt like you belonged (perhaps in a team or group)? What was it that made you feel included? Ask the same questions to someone at home.
- > Ask people at home whether they, or someone they know, have benefitted from a similar programme.

Please note any interesting thoughts or comments
